POLITICAL SECRETARY, 4573 27 NOV. 1930

DEWAN'S OFFICE 2957 27. NOV. 1930

8, UNDERHILL ROAD,
DELHI,
22nd November, 1930.

YOUR HIGHNESS,

Your Highness has doubtless seen the recent Press communiqué, according to which the dates for the next meeting of the Chamber of Princes have been provisionally fixed as the 6th, 7th, 9th and 11th February, 1931.

The work in connection with the Round Table Conference has, by virtue of its importance and volume, practically monopolised the attention of the Members of the Standing Committee while they were here, and will do the same while they are in England. I am afraid that the Standing Committee will have very few matters, if any, ready for submission to the Chamber. It is essential therefore for the success of the coming Session, that members of the Chamber who are in India should contribute towards its deliberations by proposing Resolutions for inclusion in the Agenda. With this object, I venture to suggest that Your Highness might, in consultation with your Ministers or otherwise, formulate resolutions which Your Highness might like to move at the ensuing Session. Your Highness knows that as the framing of the Agenda for the meeting of the Chamber of Princes now rests with the Standing Committe, it is all the more necessary that members of the Chamber should propose Resolutions, which could be placed on the Agenda.

I enclose for ready reference a copy of Rule 3 of the Rules for the Conduct of Business. The dates recently fixed for the meeting of the Chamber of Princes do not allow much time, but it will suffice for the present if Your Highness will intimate to me the substance of the resolutions to be proposed in order to give an idea of what Your Highness desires; the exact text of the resolutions may be furnished later.

Trusting that I shall have the pleasure of meeting Your Highness during the forthcoming Session,

I remain,

Yours sincerely,

MAHARAO KHENGARJI,
Maharao of Cutch,
Actg. Pro-Chancellor,
Narendra Mandal,
(Chamber of Princes.)

RULES FOR THE CONDUCT OF BUSINESS IN THE CHAMBER OF PRINCES.

3. The Chamber will ordinarily consider only matters included in the Agenda, which will be framed by the Standing Committee for the approval of the Viceroy. Any member or representative member desiring to propose any subject for inclusion in the Agenda for any meeting must give written notice of his proposal to the Chancellor two months before the date fixed for the meeting. Except with the leave of the President no such proposal shall be included in the Agenda unless the provisions of this rule have been complied with.
